3. Spread the Word: Use our promotional materials to announce your event within your workplace. Build anticipation and get everyone excited!

4. Decorate Your Space: Set the scene with international flags, recipe cards, or for virtual events, use our global-themed Zoom or Teams backgrounds.

5. Enjoy the Moment: Follow a simple agenda where everyone gets a chance to share their dish's story and cultural significance.

6. Share Your Stories: Invite each participant to talk about their dish and the memories it holds or feature special guests to share heartfelt heritage stories.

7. Create a Cookbook: After the event, keep the spirit alive by compiling your team's favourite recipes into a shared cookbook using our A Taste of Harmony template.

8. Keep the Conversation Going: Cultural diversity is important year-round. Visit the A Taste of Harmony website for ongoing resources and ideas on how to continue embracing cultural diversity in your workplace.
